Research Information

Primary Mentor/Advisor's Current Institution:

Department of Primary Mentor/Advisor:

Research Experience prior to entering current program (Number of months):

Are you able to commence support from this Fellowship 07/01/2019?

Provide four key words describing your research:

Project Information

Project Title:

Detailed instructions for submitting Project information. For this section, please attach a document or send it as a separate attachment (word or PDF format) to herrera@rice.edu with the following section headers:

1. **Project Description (max 1,000 words):** Explain the biological problem you are addressing, and the biophysical approaches you are using to solve it.
2. **Layperson's Project Description (max 250 words):** Note, a layperson's description is a simple description that would be understandable by someone with only a basic science background. It is for general purposes only and should describe relevance to human health.
3. **Career Goals (max 500 words):** Describe your overall career goals and how they relate to HAMBP. Describe the education, training, and other career development experiences you will need to achieve your career goals and how HAMBP will help you achieve them.
4. **Mentoring Plan (max 400 words):** Provide a brief description of the plan you and your mentor have jointly developed to achieve your career goals. Include any anticipated didactic course work, research training, enrichment activities and personal development (e.g. writing and speaking skills), professional meetings to be attended, etc. The plan should include an estimated timeline for completion of the graduate training program and specific milestones to be achieved. Include the use of an Individual Development Plan (IDP). Again, this plan should be jointly developed by you and your mentor (mentor will confirm this in his/her Recommendation Letter).
5. **Grant Support:** List any current or previous grant support (federal or otherwise) supporting your project/stipend, including any previous or current training grant or training fellowship support. Include the project title, grant sponsor, total award amount, and dates of support.

Current Degree Plan

Anticipated PhD Subject Area:

Anticipated Degree Month/Year:

Have you taken a biomedical ethics course in the Responsible Conduct of Research (RCR)?

No. If no, what course do you plan to take and when?

Yes. If yes, please provide name of course, where taken, and when it was completed.

Additional Applicant Information (OPTIONAL):

Responses to the following items will help provide statistical information on the participation of individuals from diverse groups in Public Health Service (PHS) programs and identify inequities in terms of recruitment and retention based on race, ethnicity, disability and/or disadvantaged background. **Trainees, scholars, and participants are strongly encouraged to provide this information, however declining to do so will in no way affect the outcome of their application.**

What is your Racial Background?

Are you Hispanic (or Latino)? *Note - 'Hispanic or Latino' refers to a person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. The term, "Spanish origin," can be used in addition to "Hispanic or Latino."*

Do you have a disability? *Note - A 'disability' is a physical or mental impairment that substantially limits one or more major life activities, as described in the Americans with Disabilities Act of 1990.*

If so, you may add additional information here about your disability, however this field remains entirely OPTIONAL.

Applicant's Signature

Checking this box is considered the equivalent to your signature.

I certify that the information submitted in this application is complete and correct to the best of my knowledge, and I waive the right to see recommendation letters submitted on my behalf.
